## **SPOTLIGHT ON FINANCIAL HEALTH**

### **Revenue Cycle Solutions, LLC**

Revenue is the life blood of every facility. It's time to check your hospital's financial health.

Rural hospitals face the same complex billing and reimbursement issues as suburban and city hospitals. Their patient finance managers must understand how to efficiently manage, and communicate with billing, coding, medical records, outside vendors, third-party payors, patients, etc. Attracting and retaining skilled personnel is often difficult.

**Revenue Cycle Solutions, LLC** offers a solution. No additional hardware or software is generally needed. The company specializes in helping small and mid-size hospitals to optimize the performance of their revenue cycle through:

- Revenue Cycle Assessment
- Virtual Patient Account Management and Staff Mentoring
- Patient Access / Pre-Registration Reviews
- Managed Care Contract Renegotiation
- Interim Management Services

**Revenue Cycle Solutions, LLC** is offering a special rate to NRHA members for a short time only. (Be sure and mention NRHA to get the special rate.) All of their staff has hospital experience. Their clients attest to a significant return on investment in their services.
